We are looking for volunteers aged between 18 and 30 years, legally residing in one of the Program or Partner Countries Neighbouring the EU. We seek a balance of varied ages, genders and nationalities amongst our EVS volunteers.

We are not looking for experienced volunteers but those that would learn a lot during the service in a given receiving organization.

Apart from personal motivation of volunteers our requirement is volunteers' strong will of learning Polish language after selection procedure successfully ends. We need selected volunteers to know a few crucial phrases and already have substantial vocabulary of Polish at the moment they start their EVS. Why is this important? Because they will work with disabled children and youth, which often does not speak English or any other language.

We will pay special attention to those candidates that are keen on getting involved in their new local community. Volunteers will share apartments with other volunteers (from 2 to 5 volunteers in one apartment) and we would like for volunteers sharing one apartment to organize at least one event in their local community (additional to their volunteering working schedule in receiving organizations).

We present short description of [HOSTING PLACEMENTS](#). More details on receiving organizations themselves can be found in the EVS database: [http://europa.eu/youth/evs\\_database](http://europa.eu/youth/evs_database) (use EI Reference Number or PIC number to find each RO).

According to Erasmus + rules, we provide all volunteers with: accommodation, food allowance, pocket money, local transportation, insurance etc.

**IMPORTANT:**

We ask each candidate to send us filled out [OUR APPLICATION FORM](#). Candidates can add other documents/personal presentations/ videos/photos/motivation letters to the application form, if they want but please know that applications without our form will not be taken into consideration. In case of problems with opening the file please contact us and we will send the form directly.
