DESCRIPCIÓN	<p>BRUSSELS</p> <p>The Flagship Climate Project, within the Citizen Service Network, responds to contemporary and urgent challenges facing our society and the EU: The climate emergency . This represents an essential citizen issue and the Citizen Service Network wishes to be part of a solidarity-based approach by raising awareness among young people and enabling them to take part in concrete actions in favor of the environment. The aim is to expand the range of environmental volunteer missions and to develop training on several themes related to the climate issue for the youngsters involved in our Citizen Service project. According on your profile and desires, you will be able to carry out different tasks, supporting the Climate Project Officer in order to :</p> <ul style="list-style-type: none"> - Increasing the volunteer missions - Develop a pedagogical framework with specific training, motivating young people and raising awareness of climate change challenges - Organize networking with different partners and various stakeholders. <p>LIEGE</p> <p>You will support the pedagogical team of the Citizen Service Network, which accompanies youngsters between 18 and 25 years old who commit themselves for six months to a voluntary mission in Belgium in our Citizen Service program. You will be involved in the recruitment and follow-up of young people, in the cooperation with the host organizations that welcome young people in the Citizen Service, in the organization and animation of information sessions, integration weeks, workcamps, trainings, exchange times, complementary missions and the annual closing ceremony. You will participate in weekly meetings of the pedagogical team, as well as in meetings and strategy days with the entire team of the Citizen Service Network. During your assignment, you will be expected to be actively and creatively involved, you can, for example, propose new activities to the team, and to carry out a personal project if you wish.</p> <p>LEUVEN</p> <p>You will support the pedagogical team of the Citizen Service Network, which accompanies youngsters between 18 and 25 years old who commit themselves for six months to a voluntary mission in Belgium in our Citizen Service program.
